

25 April 2009

Hello Sponsors and Donors,

I am putting together a Car Show/Fund Raiser to help raise funds for the Weber Veterans Nursing Home that is being built in Ogden. They need money to furnish the facility. A couple of my co-workers and myself are trying to get enough money raised to furnish at least one room. The cost to do this is \$3500.00 per room.

We are going to do the Car Show/Fund Raiser at the Huntsville Memorial Park on June 6th 2009. We are trying to get sponsors and companies to donate things. To be a sponsor we are asking for a \$40.00 donation and we will then give a car show award with your name on it. We will also advertise you as being one of the sponsors for this car show. To donate to this show we are asking that companies donate something to use for the raffle or silent auction that we are having. We can use items such as Hats, T-shirts, Car Care Products, Clocks, Household Products, Gift Certificates, etc. I can pick up any and all sponsors/donations, just give me a call.

We are going to have raffle prizes, a silent auction, a bake sale, and concession stand to help raise funds. There will also be local celebrities entertaining and I will be doing the "DJ thing" playing all the oldies.

An Entry Form/Flyer is enclosed.

Please try to help us help our Veterans who have done so much for us.

Thanks for your support for this very worthy cause.
